

A Tempting Engagement (Silhouette Desire)

IT HAPPENED ONE NIGHT The last time hed seen Emily Warner, she was crawling out of his bed, and then out of his life. Six months later, Mitch Goodwin luckily ran into lovely Emily and begged her to resume her job as his sons nanny. But he also had a question that had baffled him for far too long: what, exactly, happened that night? Seeing Mitch and his little boy again reminded Emily how it felt to want what she couldnt have. But resisting the sexy single dad when it came to the welfare of his son was impossible. Now, as Emily tried to ignore thoughts of what could havewhat should have happened that night, there was only one solution: see if the fantasy lived up to the reality.
