

Communicating for Results: A Guide for Business and the Professions (Available Titles CengageNOW)

This best-selling text will show you the basic concepts and techniques you need to successfully communicate in today's business world, regardless of your current level of business experience. Covering every aspect of the communication process, COMMUNICATING FOR RESULTS will give you a competitive edge in any business situation—from the initial interview to making skilled presentations (complete with professional visual aids) to assuming a leadership role. In addition, you'll find online video clips of common professional scenarios paired with the text's concepts, giving you a realistic glimpse into the business world and an opportunity to see how theory translates into practical action that will help you improve your chance of career success!
