

MBA Primer: Finance 3.0 Printed Access Card Self-Study

Now individuals who are entering traditional, executive or part-time MBA programs can efficiently prepare for success with the MBA PRIMER. This interactive online MBA preparation course, written by experts in their respective fields, enables even individuals who have little or no educational background in quantitative areas of business to become well prepared to meet the rigors of today's MBA program. This convenient preparation tool is now even more efficient with a new multimedia delivery platform that makes navigation easier than ever with more multimedia tools to reinforce knowledge, comprehension and long-term retention. Individuals can rely on the interactive MBA PRIMER to provide the latest content, new trends and a strong historical perspective to ensure MBA success.
