

## Hawks Pretty Baby [Brac Pack 2] (Siren Publishing Everlasting Classic ManLove)

[#349 Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves] Hawk Magnar, commander of twelve sentry wolves, never thought he'd discover his mate in a hospital for an anxiety attack. Under the illusion he was going to comfort a young child the alpha's mate, Cecil, had befriended, he finds a man who needs more protection than even anyone realizes. Treated as a simpleton all his life, Johnny Stone has never had anything to call his own - until he meets Hawk. Hawk must keep his emaciated mate safe from a sadistic brother while teaching Johnny to trust him. Hawk is quickly running out of time to convince Johnny that he isn't out to hurt him when his mate inadvertently starts the mating ritual. Will Johnny give Hawk the trust he needs to bind them together or suffer the consequences that fate's wicked sense of humor has unleashed? \*\* Note: Each book in Lynn Hagen's Brac Pack collection features a different romantic couple. Each title stands alone and can be read in any order. However, we recommend reading the series in sequential order. \*\* A Siren Erotic Romance
