

The Lost Art of Praying Together

When the early church in Jerusalem prayed, an angel delivered Peter from execution. When Paul and Silas prayed, an earthquake shattered their prison door. God responds when His people unite their voices in prayer. So why is prayer together a lost art for many Christians today? How can we reclaim the blessings of corporate prayer, and what can happen when we do? In *The Lost Art of Praying Together*, James Banks reminds us that where two or three are gathered together in the name of Jesus, Jesus himself is present and amazing things can happen. Through both the Scriptures and real-life stories, Banks encourages you to rediscover the power and the rewards of joining together in prayer. As seen in the *Promise Keepers* devotional *Men of Integrity*.
