

Love - From His Point Of View!: Meeting at Midnight / Lost in Sensation / For Services Rendered (Mills & Boon Spotlight) (Mantalk, Book 2)

Meeting at Midnight by Eileen Wilks Seely Jones had secrets, hidden talents and a shadowed past. In Bens arms she wasnt the elusive earth mother she seemed, but a fiery temptress he was determined to keep in his bed and in his life forever. Lost in Sensation by Maureen Child Sam Holdens isolation was shaken by sexy whirlwind Tricia Wright. And when the proposed sleeping arrangements turned intimate, it was only a matter of time before his resolve to keep the world at a distance melted. For Services Rendered by Anne Marie Winston Theyd worked together for years, but security expert Sam Deering never knew what was beneath his plain-Jane employees baggy clothing. Then, on the night of Delilah Smiths twenty-ninth birthday, Sam no longer had to wonder as virginal Del announced she was ready.
