

Love Affair

This is the first book in the Love Affair Series by Katelyn Skye. This series brings you a potent mix of romance and deep passion, leaving you wanting for more as you get deeper into the lives of the characters, Walter and Emily. Emily OHara has always been overshadowed by her glamorous and demanding step-sister Kristen, and that is never more true than on Kirstens wedding day. When Emily meets the kind and ruggedly sexy groom, Walter, she can only dream that he might be interested in her. But when Kristen cruelly fails to walk down the aisle of her own wedding, Walters heart is broken, and Emily finally sees the chance to make him understand Kristens true character. Walter takes Emily for one night of steamy passion, and she thinks all her dreams have come true. But is Walters love for Emily going to give her all the passion shes ever dreamed of? Or is he simply using her in the aftermath of his broken wedding? This series is a contemporary romance featuring searing and graphic depictions of romantic activity.
