

## The Bells of Times Square

Every New Years Eve since 1946, Nate Meyer has ventured alone to Times Square to listen for the ghostly church bells he and his long-lost wartime lover vowed to hear together. This year, however, his grandson Blaine is pushing Nate through the Manhattan streets, revealing his secrets to his silent, stroke-stricken grandfather. When Blaine introduces his boyfriend to his beloved grandfather, he has no idea that Nate holds a similar secret. As they endure the chilly death of the old year, Nate is drawn back in memory to a much earlier time ... and to Walter. Long before, in a peace carefully crafted in the heart of wartime tumult, Nate and Walter forged a loving home in the midst of violence and chaos. But nothing in war is permanent, and now all Nate has is memories of a man his family never knew existed. And a hope that hell finally hear the church bells that will unite everybodyincluding the lovers who hid the best and most sacred parts of their hearts.
