

Intimate Fantasy (Sweet Surrender Book 3)

This is the first book of the Intimate Fantasy Series. A seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Isabel Izzie Larsen gets home after a raging disagreement with her boss. She returns find that her dog, a French Mastiff named Biggie, has disappeared. Furious and worried, she walks around the neighborhood in her heels and suit, calling his name. Too agitated to think clearly, she follows Biggies howl and barges into the house next door. She finds her neighbor, Royce Stanhope, half naked, wearing only a pair of black, silk pajamas. She is stunned and more affected than she wouldve liked. This is not merely a chance encounter. Royce has had his eye on Isabel for weeks, and he is hell bent on making her his submissive. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
