

## Wealth, Power And A Proper Wife (Do You Take This Stranger) (Silhouette Romance)

Karen Rose Smiths DO YOU TAKE THIS STRANGER? trilogy for Silhouette Romance focuses on three cousins (Christopher, Jud and Luke) who discover love for a lifetime. In WEALTH, POWER AND A PROPER WIFE, Jenny Langston awakens from a coma with amnesia and falls in love with her husband Christopher all over again. But she soon realizes there is a terrible secret between them. She has to discover why she was on a road so far from her home the night of her accident. Until she remembers or discovers what was troubling her before she left home, she cant rebuild her marriage or her husbands trust. The climax will surprise the reader as much as the hero and prove that two strangers can become friends and lovers more than once in a lifetime.
