

## Rescued by Love (Love in Bloom: The Ryders): Jake Ryder

The Ryders are a series of stand-alone romances that may also be enjoyed as part of the larger Love in Bloom series. In **RESCUED BY LOVE...** As the daughter of a world-renowned fashion designer, Addison Dahl enjoyed a privileged life attending the most sought after parties, traveling around the world, and having anything she wanted. Until she broke free and went against her fathers wishes, needing to prove to herself?and to him?that she could make it on her own. Now shes ready to take her adventures in a new direction and sets her sights on roughing it in the wilderness. Jake Ryder followed in his fathers footsteps as a top search and rescue professional. He spends his days saving those in need and his nights in the arms of willing women who offer nothing more than a few hours of sexual enjoyment. Just the way he likes it. When Jakes sister-in-law calls and reports her best friend missing, its up to Jake to find her and bring her home. But Addison isnt lost, and she sure as hell isnt going to be told what to do by an ornery mountain man with whom shed spent one torrid night after her best friends wedding. Jake has never left anyone behind?will Addison be his first failed rescue?
