

The Widows Protector (Fitzgerald Bay Book 4)

Someone is trying to take everything from widowed mother Fiona Fitzgerald Cobb. Their method? Fires, like the one that left her little boy fatherless and destroyed Fiona's dream two years earlier. Could the attacks be linked? Fitzgerald Bay firefighter Hunter Reece vows to keep Fiona and her son safe. He wasn't able to save her husband, his best friend. This time, he won't let Fiona down. Especially since the handsome man she's known all her life has a secret one that will make him risk everything to save her.
