

## Love the One You're With (Real Love Series Book 5)

Rena Henderson comes to Devins Cay to shake things up. Her father, the late Rev. T.G. Henderson has bequeathed the bulk of his estate to Drake Beckford, a young, vibrant preacher, who hasnt any idea of the glorious future that awaits him. Rena tries to stop the inevitable, even if it means purchasing a gun to frighten her fathers lawyer into changing the contents of the will. However, when love unexpectedly comes knocking on her door in the person of music icon, Armando Beckford, Rena is forced to rethink her actions and ultimately, her world is thrown into mass confusion. While Rena is doing all she could to avoid Armando Beckford, the brother of Armando, Kevin Beckford is caught in the middle of a brutal decision that could destroy his love connection with Hunter Rose. Do he follow through with his marriage proposal to Hunter or do he accept a deal that was made by the she-devil herself, the calculating Shiloh Bethune? And finally, Sasha seemed to be coming around to embracing her husbands love. Shes now willing to support him fully in church ministry and whatever compromises of her husbands vision. But there is still a huge secret, lurking in the dark that could rupture this seemingly happy union. Will it surface or will it fade away into an insignificant memory? Find out in book 5, as H. H. Fowler races toward the shocking conclusion in book 7. For the residents of Devins Cay will not stop until they have tasted the sustaining fruits of Real Love
