

Always My Girl (The Shaughnessy Brothers)

Falling in love with your best friend? Easy. Telling them how you really feel? Impossible. Quinn Shaughnessy believes there's a lot more to life than romance, and he always thought his best friend Anna agreed. But now she's coming out of her shell and dating...and Quinn starts seeing her in a very different light. Anna can tell Quinn anything, except the big secret she's been hiding for years—that she's fallen in love with him. Now Anna is determined to make a life for herself that doesn't include hopeless pining. But just as she's ready to move on, Quinn seems determined not to let go—and the way he's looking at her might be enough to finally change them from best friends to best everything.
