

Better Than Gold (Love on the Range)

Contemporary Christian Romance She inherited half the ranch and had to stay. Allison grew up with stories of her grandfathers cruelty. How the rich old man refused to help her mother, his only daughter, and that he had no interest in meeting his three grandchildren. Now, Allisons living on his ranch and everyone in Oklahoma seems to think he could do no wrong. If she stays one year, shell own half the ranch worth three million dollars. If she leaves, everything goes to Daniel Sterns, the boy her grandfather took in and treated as his grandson while he turned his back on his real grandchildren. Daniel Sterns owes his life to Allisons grandfather. He took him in and treated him like family. He wants to continue the favor by opening the ranch to boys in need. Allison doesnt approve, but in spite of her attitude and confusion, hes drawn to her and wonders if sharing the ranch wouldnt be better if they merge not only the ranch, but their lives as husband and wife.
