

## Lovehandles (WLVH Radio Romance)

WLVH radio station lives by the motto WLVH, Lovehandles, where love is more than just a song. They proved it over the summer when two contestants, Mary and Ethan, ended up falling in love and planning to marry. Peter Punch O'Brien can think of a thousand other places he'd rather be than at their wedding. Weddings tend to do weird things to a woman's mind. He's nervous about his date getting the wrong idea. But it's not his date who's affected. It's Judy, his on-air partner, who gets a wedding whammy. Something changes afterward, and he's not sure he likes it. Suddenly all he can think about is...kissing her. Since Judy Bently is the most annoying woman he's ever met, kissing her should be the furthest thing from his mind. Judy is very much aware of her partner's Casanova-like charms. No way is she going to fall under his spell. Things might have changed between them, but despite what her heart is telling her, she's going to do her best to change their relationship back to a simple on-air partnership. Because the only way an off-air partnership with Punch could end is with heartache. But sometimes the heart knows best...\*Make sure you read Mary and Ethan's story
