

A LOVERS MASK (The Ramsey Series Book 3)

Fernando Ramsey wants the kind of love his parents never shared--a love based on equality and respect. Sadly, he hasn't met the woman to make his secret yearning come true, until he meets Contessa Warren. The Chicago publisher is everything Fernando desires....only Contessa is out to prove the Ramseys are hip-deep in a scandal that could harm more than their family name. She's also dangerously close to falling for Fernando. Can their relationship survive the shocking revelations about to shake the powerful Ramsey clan?
