

Deception (Harlequin Kimani Arabesque)

Is love worth the risk? An unhappy marriage taught Terri Powers never to trust again. Instead, she put all her energy into developing her inner strength and independence, creating the successful New York advertising agency she'd always dreamed of. Then she meets handsome, strong-willed businessman Clinton Steele. Try as she might, Terri can't fight the sensual attraction between them or the desperate hunger that fires her deepest passions when everything is at stake. Neither Terri nor Clinton can ever imagine just how much is at risk. But when a stranger appears from Terri's forgotten past who calls himself a friend, his deception could destroy everything Terri has fought so hard to build. Now two wary hearts have to persevere, as long-buried secrets put Terri and Clinton's love to the most perilous test of all.
