

Loving Jack (Jacks History)

AVAILABLE DIGITALLY FOR THE FIRST TIME Author Jackie MacNamara is a little in love with her own fictional hero: a brooding Old West cowboy who lives by the gun. That's why she can't understand her reaction to buttoned-down, real-life architect Nathan Powell. Thrown together under the same roof, they vow to respect each other's privacy, which should be easy for the mismatched couple. But fate is writing the plot to this story - and throwing in all kinds of unpredictable twists and turns... Includes a preview for Lawless - the historical romance Jack writes in Loving Jack.
