

## Lucia in Love

If Lucia Lorenzo hadn't been so exhausted, she would have realized that the person already occupying the bed wasn't her cousin Dina but someone decidedly masculine: Ryan Dandridge, the man she had been trying, unsuccessfully, to forget. Little did she realize when she woke up next to Ryan that her troubles were just beginning. For one thing, her entire wacky family was on hand, and nothing was ever easy when they were around. For another, someone seemed to be stalking her--with dangerous intentions. In fact, the more she thought about it, having Ryan re-enter her life might very well be the best thing that could have happened!
