

Pierced - Complete Series

Lisa thought she'd never love again, until Dr. Luke Miller turns her life up-side-down causing her to question everything she thought she knew. At 30, elementary school teacher, Lisa Alcantar, is a young widow still dealing with the tragic loss of her husband, Marco a police officer who died on duty. But when ER doctor Luke Miller volunteers to help Lisa Carter plan the school's Career Day, his charming, easygoing approach breaks down all her defences. Luke is insanely gorgeous and sexy as hell, with a zany sense of humor and energy to spare, stirring feelings in Lisa she thought she'd buried with her husband years ago. As casual flirtation blossoms into fiery passion, the two spend an intensely sensuous evening together, introducing Lisa to a world of desire she never knew existed. But as hot as it is, she feels guilty. Is Lisa betraying Marco's memory by finding such exquisite pleasure in Luke's bed? Only mature readers should download this book
