

## Lust & Fae [Anything Goes 1] (Siren Publishing Allure ManLove)

[Siren Allure ManLove: Erotic Alternative Paranormal Romance, M/M, with menage elements, demons, public exhibition, spanking, sex toys, HEA] Cal has been alone all his life. After all, lust demons aren't known for their ability to fall in love. For centuries, he's used his gifts to help others find the happy ending he felt he would never have. When a virgin fae, Gabe, walks into his club, Cal is immediately struck by the little sprite's good looks. Knowing the fae's natural magnetism could ignite a riot, Cal immediately rushes Gabe out of the club, only to find out he was sent to be Cal's mate. But Gabe is in trouble. The evil halfers seek fae essence to become human. Knowing Gabe is in danger sets off every protective instinct within Cal. Can a lust demon defy convention and find his happy ending with an innocent fae? Note: This book was previously published with another publisher. \*\* A Siren Erotic Romance
