[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Futuristic Sci-Fi/Paranormal Romance, M/M, werewolves, HEA] Nyk has loved Dax since they first met at the age of five. That love has grown from a close bond of friendship into a yearning so deep that Nyk feels as if he will go mad. But is crossing the line from friend to lover a gamble Nyk is willing to take? Dax has kept his best friend safe their entire lives. He taught Nyk how to fight and how to kill. But Nyk is a man who haunts Dax's mind and sets his blood on fire. When Ben Hur comes after the Breed Assassins for a shipment the Marauder is hell-bent on destroying, the Breed Assassins engage in a battle that just might cost them their lives. But the biggest threat to Dax and Nyk is the growing tension between them. That is, until they discover that surrendering to their darkest desires can be a fantasy come true. ** A Siren Erotic Romance
