

Stranger in My Arms

One of today's leading lights in romantic fiction. Seattle Times USA Today and New York Times bestselling author Lisa Kleypas is one of America's most acclaimed and popular authors of historical romance fiction and *Stranger in My Arms* is one of her most beloved novels! A classic tale of a noble lady whose life is upended when her despised husband believed lost at sea returns, a remarkably altered, more passionate and loving man if he is, indeed, who he claims to be. A two-time RITA Award-winner and a nine-time nominee Lisa Kleypas is at her sensuous best with *Stranger in My Arms*.
