Love is a fire. But whether it is going to warm your heart or burn your house down, you can never tell. -Joan Crawford

Dr. Katy Malone has sworn off love after losing those she loves most in her life including her father, a member of the FDNY. She has decided to spend her time focusing on her medical research. Her ex-fiancee, and fellow doctor, isn't ready to give up on loving her though. Firefighter Nick Garrity is on a search for the future Mrs. Garrity. As he pushes thirty, with no prospects in sight, he's afraid he'll never find her. A devoted member of FDNY, he loves the thrill of his job and the satisfaction it brings him. He strives to teach the proby firefighter, Patrick Doyle, the ropes and pass on his passion to him. When Doyle tries to impress the guys on the crew, he ends up in the care of Dr. Katy Malone. One look at Dr. Malone and Nick knows he's found his future wife but can he convince her to love again?
