

Madam - Prostitutes, Punters and Puppets: Memoirs of a very British brothel

Nobody wakes up one day and thinks, I know, Ill run a brothel! It was more a case of stumbling, quite by accident into the profession. Madam is a riotously funny and touching peek through the keyhole of provincial massage parlours. Becky Adams escorts you through her memoirs, from her challenging childhood to brothel keeping in Buckinghamshire. Her outrageous story is a witty and thought provoking tale of betrayal, friendship, love and loyalty. From saucy scandals and soft toys, to raids, robberies and fancy fetishes all accompanied by a nice cup of tea and a ginger nut biscuit. The truth really is stranger than fiction.
