

Where Love Begins (Where There is Love Book 1)

Catherine Perronets world is shaken when she learns Charles Wesley is engaged to marry another. After all, Catherines initials were on the list John Wesley gave to his brother listing acceptable matrimonial candidates. And that's not all that's wrong in Catherines world. As teacher at a Methodist Society school in London, she sees her brother beaten while preaching in the open air, her favorite pupil forced to leave school because of his family's poverty, and a prisoner receive his death sentence in Newgate Prison. Catherine undertakes the joys and hardships of a circuit-ride preaching tour to Canterbury where a French invasion threatens then must face the terrors of the Great London Earthquake before coming to an understanding of the gentle calling God has for her.
