

Trading Places (Siren Publishing Classic ManLove)

[Siren Classic ManLove: Erotic Alternative Romance, M/M, spanking, HEA] Shy Redmond Powells always been a pushover for doing whatever his flamboyant identical twin brother Russell asks him to do, so when Russell begs him to trade places with him to attend the wedding of his former lover and pretend to be him, Redmond reluctantly agrees. It doesnt take long for gorgeous security expert Sloane to find Redmond in a very compromising position, and finds this the perfect opportunity to coerce Russell to go with him out of town before he disrupts his friends wedding. Making Redmond travel with him to an isolated cabin in the woods, Sloane thinks this would be a perfect opportunity to get to know the beautiful man a little better and maybe teach him a lesson he wont soon forget, but when someone tries to kill his good-looking charge, Sloane has to take their relationship to a whole new level. ** A Siren Erotic Romance
