

## Under the Midnight Moon (Moonlight Series Book 3)

Can attending a wedding and a funeral on the same day change your life? Mindy Winslow's life was altered forever when she met gorgeous lawyer, Drew Armstrong, and found out about her inheritance of a ramshackle old building from her mentor, Lou. His directive to create a dinner theater on the property would fulfill her lifelong dreams. Bucking the will of her family and the hardship of trying to make it in New York theater, Mindy had lost hope until she was embraced by the townsfolk at the wedding of her college roommate. With the help of friends, new and old, Mindy forged ahead to make her goal a reality in tiny Pine Grove. But the exposure of a promise made then broken secretly, destroyed her dream. Will she be forced to face I told you so from her father or will love find a way to resurrect hope from the ashes?
