

Women of Valley View Collection: Books 1-3 (The Women of Valley View)

This anthology includes Books 1 - 3 in The Women of Valley View series. CALLIE A baby is dead and Callie Stillman blames herself. Haunted by memories of a tiny coffin, Callie cant understand how God could expect her to put her heart on the line a second time. But the evasive little girl attending her Sunday School class is so obviously in trouble that Callie finds her resolve cracking. Iris and Samantha Evans are living on borrowed time. Deserted, orphaned, betrayed, and deceived, they need rescuing in the worst way. Steve Evans had his life changed by God. A reformed drug addict, hes searching for the family he abandoned ten years ago and praying for a miracle. The road to healing is rocky. But as Callie confronts her worst fears by bringing father and daughters together in a risky bid for reconciliation, she realizes that the Evans family arent the only ones God wants to rescue from a tortured past. TERRI Caring for a new foster child while running a thriving day care should keep Terri Hayes more than occupied, but her heart longs for something more. She hungers for a family of her own, and at twenty-nine, she feels time ticking away. When a busted pipe floods her home, Steve Evans offers her the familys basement apartment as a temporary solution. Steve is widower, a father of two teenaged girls, and a successful writer. He is also the object of Terris secret affections. At least he was until a casual comment from him leads her to believe that he has all the family hell ever want. Iris and Samantha Evans have set their sights on Terri as the perfect stepmother. Their matchmaking plans include equal parts of prayer and deception. Will their scheming result in the wedding of their dreams, or will the harsh confrontation between Steve and the parents of Terris foster child be an obstacle they cant overcome? PAM Four years ago, Pams divorce devastated her. The cruelty of her ex husband crushed her

spirit. After battling personal demons, she finally made a life for herself. Now remarried, raising her kids, working at a job she loves, the scars of Alan Archers emotional abuse are beginning to fade. Her newfound happiness turns to bitterness when Alan returns to Garfield. Confronted with a wall of pain she thought she buried, Pam must learn that secrets and carefully cultivated indifference do not equal forgiveness. Alan Archer has returned to Garfield with a new wife, a fresh commitment to God, and a terminal heart condition. His mission? To leave a Christian legacy for his children and to gain Pams forgiveness for the sins of his past. Two hearts hang in the balance waiting for the delicate touch of Gods healing hands.
