

Love After All (Arabesque)

Like her grifter father, Samantha Lee Taylor has a talent for deception. But long ago she decided to reject that lifestyle. Now her cunning is the only thing that's keeping her alive while she's running from those who are pursuing her brother who fancies himself as a big-time con artist. Former cop Jackson Daley is out to catch the person who is blackmailing his father. When a source implicates Samantha's brother, the two team up to try and find him, but for very different reasons. Can these wary allies put aside their suspicions and avoid the real danger that lurks around them? And can they ignore the mutual attraction and passion that bubbles with every move this street-savvy pair makes?
