

# A Daybook of Prayer: Meditations, Scriptures, and Prayers to Draw Near to the Heart of God

Readers are challenged with the simple but profound question: What would happen-how would your life be different-if you committed the next year to learning about prayer and devoting time to prayer every single day? A Daybook on Prayer weaves together poignant meditations from classic and contemporary Christian writers with powerful Bible verses, directed prayers, and personal prayer-starters, to create a life-changing resource for those who want to draw closer to the heart of God. The daily selections are drawn from many of the greatest historical and modern teachers on the subject of prayer, including Augustine, Thomas A Kempis, Martin Luther, Brother Andrew, John Wesley, A.W. Tozer, Andrew Murray, Oswald Chambers, Billy Graham, Charles Swindoll, Max Lucado, and many others.
