

Maid in Montana (In Her Shoes...)

For single mom Sophie Penazzi, accepting a housekeeping job at handsome Jeb Washingtons ranch is a fresh start for her and six-month-old Brady. More comfortable with a baby on her hip, dough on her apron and flour in her hair, Sophie knows she is nothing like the glamorous women who inhabit Jeb's world. Her welcome from the taciturn rancher is far from warm but that doesn't stop Sophie wishing she could be more than a maid in Montana!
