GREAT VALUE MAIL ORDER BRIDE BOXSET - 6 BOOKS FOR JUST 99c !

Prospecting for Love: The Complete Collection Book1: The Brides Golden Destiny Angela Westons mother dies and she is left alone with her stepfather, who turns to drink. Her only option is to become a mail order bride. She corresponds with Fred Charles, a widower, who owns a general store out west. She boards a train, a stagecoach and finally a carriage to wed a man shes never met. Fred is thrilled with his new bride but things arent perfect in the town they live in. Now that he has both a store and wife to protect, Fred has to keep his eye on Alexander Fairbanks even more. Hes the richest and most powerful man in town and hes trying to buy up all the land. Fred tries to find out why Fairbanks is so desperate to purchase all the homes and businesses.

Book2: The Brides Last Hope Alexander Fairbanks still has rich ambitions for the town of Bodie. Though hes tried with no success to get the townspeople to sell him their property, he refuses to give up. And hes willing to do whatever it takes to get what he wants. Max Griffin has other things on his mind, though. His friend Fred Charles has recently married his mail-order bride, and seems happy. So happy, in fact, that the blossoming romance inspires Max to try his own luck. But Fairbankss selfish goals, if fulfilled, will destroy not just Maxs chances at happiness, but threaten to destroy the whole town

Book3: The Brides Rescue More and more men in the town of Brodie are finding love through the Matrimonial Times. This time, its Phil Thompsons turn to try his luck. He finds his chance with Faye Anderson, a sweet, hard-working girl who is eager to leave Boston to start a new life. But things are not as peaceful in Brodie as she thinks. While Alexander Fairbanks works on his plot to claim the town for his own selfish purpose, Phil is robbed of his livelihood.

And Fairbankss henchmen might be to blame not only for that, but of a deception so vile that the newly arriving Faye may not live to tell the tale. Book4: The Jilted Brides Journey Things have been going from bad to worse in the town of Bodie. Fairbanks is still up to his old deceptions. His plot has been brought to light, so he is even more dangerous than before. In the meantime, yet another romance blooms: Hard-working saloon owner Gus Tanner finds the heartbroken Sarah Louise. And they both have hope that things will go well between them. But, with a new henchman in tow, Fairbanks steps up his game, targeting the saloon that Gus has tried so hard to keep unsoiled and respectable. Book5: Claiming the Cowboys inheritance Nigel Hackett is not the only one whos had a recent death, though. Hes been corresponding with Elsa Sutherland, whose husband died after just a single year of marriage. Elsa is all alone in Virginia, and maybe, just maybe, she can find lasting love with Nigel and start over in this town. But theres a lot going on in Bodie that neither Nigel nor Elsa knows. Fairbanks, a rich and powerful and very corrupt tycoon, has been trying for a long time to gain control of the town for his own personal gain... Book6 (Final book of the series): The Gangsters Curse Jefferson has a dark past. Before becoming a miner, he did things he is not proud of, but is trying to make amends. He hopes to start a new life with Tabitha Wilson, following the town of Bodies tradition of mail-order brides. But he knows he owes it to Tabitha to explain to her who he used to be. He can only hope that she will accept and love him, despite his past mistakes. Meanwhile, Fairbanks still has his devious plans for Bodie. He and his flunkies aim to rage an all-out war on the peaceful town. Will there even be a town left for Jefferson and Tabitha to have a chance together after Fairbanks is done?
