

## Mail Order Bride: CLEAN Western Historical Romance : Nadie - The Crippled & Shunned Indian Bride (Big Beautiful Brides and Indians of Texas Book2)

Texas in the 1870s is not a land of hope and opportunity for Nadie Brandon. Daughter of a white father and Indian mother, she has faced more than her share of hurt and heartache in her short life. The people in her small town are cruel and label her a half-breed and, to make matters worse, she is extremely overweight, a fact that makes her undesirable to most men. When life seems like it can't get any worse, Nadie comes down with scarlet fever, a disease that leaves her with a bone infection and a limp in one leg. With nothing to lose, the young woman follows her sister's example and begins her journey as a mail-order bride. Jordan Harper, a man who struck it big in mining, believes that Nadie will be his perfect companion, his perfect mail-order bride. He feels a deep compassion for her. So, he showers her with clothes and jewelry, hoping to alleviate her past hurt. This results in Nadie's hopes being dashed! However, when Jordan's friend, Nellie Barton, tells her something, it turns Nadie's world upside down. Reeling from this information, she decides she must get away. Yet, when Jordan is injured, she is forced to come back home. Will she and her husband be able to save their marriage? Will Nadie have to give up on love? Each short story can be read as a stand alone but if you wish to read about the first two books are available for just \$0.99 or FREE on Kindle Unlimited.
