

Mail Order Bride: Guarding Grace: Sweet Christian Western Romance (Brides of Virtue Book 3)

She was a single mother raising a baby all alone. He was a protective Sheriff with a wounded heart. Grace Knowles slowly read the words she had been praying for. Faith's letter had finally come and it had answered all of her prayers. Her dear friend would send a train ticket for Grace and her baby to join them in Whistle Stop to start a new life. The only catch was Grace must agree to become a mail-order bride to a man of their choosing. But what man would want a broken, abused woman with nothing to offer but a baby that was not his own? Sheriff Emmett McCabe took great pride in protecting the people of Whistle Stop. It was the only thing that helped him move on after the sudden and tragic death of his wife and daughter. But when a train headed to Whistle Stop derails, leaving a mother and child desperate for help, Emmett is forced to re-live the horror that haunts him. Can he find the strength to save them -- even if it means risking his heart?
