

Mail Order Bride: CLEAN Western Historical Romance: Lost, Abandoned & Secured by Her One-Arm Hero (Three Brides for Three War Comrades Book1)

The year is 1871, post-civil war in the American Rocky Mountains, as Isabella - a doctor with a ferocious spirit but a sad past, travels into the wilderness of White Elk to marry a man she has never met, wounded war hero Kit. Locals and former-residents whisper about the mysterious town of White Elk that something is wrong with the place. They say the people there are ignorant, that disease is prevalent, that no one can survive there. Wild animals roam, bears and wolves, the terrain is tough, and the men who live there have cut themselves off from society. It seems to some like God has forsaken this wild land. One thing they all agree on: Its NO PLACE for a woman. Being a strong woman, Isabella is ready to face any challenge. She believes God has guided her to White Elk for a reason. The people need healing. HER NEW HUSBAND, MOST OF ALL. What will happen when Isabella discovers that her new husband is a wounded war veteran with ONLY ONE ARM? Worse than that ... a man who believes that a woman should not work, especially after marriage. And a man who doesnt believe in doctors. Can Isabella survive a life locked in doors? And can Isabella help Kit to truly heal? Kit had to wear his wedding band on his right hand. As long as were married in the eyes of God, its all official, isnt it? Dont matter which finger the wedding ring goes on. Of course not, Isabella replied quickly, smiling, looking down at her own wedding band, placed on her left hand. She saw Kit look down at it and asked him if everything was alright. Of course, he said, taking her hand, and smiling gently. Just thinking...that its odd we will wear the bands on different hands. At thirty-three years of age, Isabella thought she would NEVER MARRY. But everything changed after the war... Everyone - and everything - she loved was DESTROYED, and now she must start again. Isabella feels UNWANTED, UNNEEDED, in her

old life and she is DESPERATE to find a place where she belongs. Maybe even love. But at her age, Isabella thinks that falling in love is just an impossible dream. Until she travels to White Elk. Until she meets Kit ... Can Isabella find a place where she is truly needed and accepted? Can Kit learn to open his heart and mind to the brave new ideas Isabella brings with her? Can he leave his painful memories behind, and start again with his brave new wife? ... Take the journey with Kit and Isabella, as they discover that God has a plan for them. A plan for them to heal, grow, and to find the perfect love they have both been seeking ... *** FREE DOWNLOAD *** FOR A LIMITED TIME, YOU CAN GET A CLEAN WESTERN SHORT STORY ROMANCE, FOR FREE - click here to find out more > bit.ly/fayesonjabooks (just copy and paste into your browser) This is a sweet and CLEAN WESTERN ROMANCE short story.
