Being brought up in an Amish community and taught the Amish ways was something Jasmine had taken great pride in, until an argument between her and her father causes her to be shunned and she finds herself among a group of thieves fighting to survive. For a couple of years she ran with the nomadic gang, but the moment she had saved enough money to make it on her own, she and her friend Amy moved to a new town to start a new life. But she longed for love, a husband, and so she sought one. Jared... His job as a US Marshal often kept him far away from home, and he found himself at a point in his life where he wanted to start a family.
