

## Mail Order Mistletoe (Brides of Beckham Book 17)

Meg O'Reilly wonders what ever made her want to be a teacher. The last four members of the demon horde are making her life miserable. When one of them slaps a copy of the Grooms Gazette on her desk and tells her to go see their older sister so she can find her a groom, she reads through the paper and decides to do just that. Confident in her decision, she sends a letter to the man she chooses that very day. The one thing Lars Borgen is not looking for is love. He wants a wife to share his life, his work, and his bed, but he doesn't ever expect to feel any tender emotions for her. Expecting a plain bride, he is startled when beautiful Meg steps off the train looking for him. Will he be able to hold steadfast and keep from falling in love? Or will his sweet, pretty bride win him over, giving him a second chance at love?
