

Destinys Daughters

In this powerful collection, three acclaimed writers put their talents together to tell the unforgettable story of three sisters separated as infants--and how their paths finally cross in adulthood. Leticia, Jamilla, and Clarissa Holmes each know that they're one in a set of triplets--but that's about all they know. Now they're adults, thirty-three-year-old women who are as different as can be. But they have one thing in common: they have never given up on the idea of one day finding each other. . .

In *More Than This*, by Donna Hill, we meet Leticia, whose time in group homes sharpened her street smarts and taught her to use her good looks to her advantage. Now she's on top of the world, ensconced in a lush apartment in the heart of New Orleans. Leticia knows what men want--she runs the most elite call girl operation in the Parish. But when she learns that the new sheriff in town is planning a raid, she decides to close up shop, have some adventures, and find her family. She soon discovers that one of her sisters is a jazz singer slated to appear at Lincoln Center. Leticia buys a ticket--and gets much more than she bargained for. . .

Parry EbonySatin Browns [title tk] follows Jamilla, adopted by an upstanding family who loved her like their own. But despite a life of privilege, Jamilla was always haunted by a sense of foreboding. As a way to escape her demons, she turned to writing. Now she's landed a six-figure book deal. But Jamilla's joy is clouded by a series of disturbing dreams triggered by a woman she saw on television--a jazz singer with her face. . . In Gwynne Forster's *The Journey*, Clarissa Holmes Medford has finally decided to kick out her cheating husband--and pick up her guitar. Maybe she can sing her way out of the unhappiness and poverty that have plagued most of her life. When she records a well-received demo, it's just the beginning of a fascinating journey that will take her

far from home, and expose her to a captivating new world--and an audience that may include the family her heart has always longed for. . . . Reading Group Guide Inside
