

## Make Me Say It (Make Me: Part Three)

From the New York Times bestselling author of *Because You Are Mine* and *The Affair*, comes *Make Me* - a tantalizing serial novel about hidden pasts, dangerous obsessions, and uncontrollable passion, perfect for fans of E. L. James, Sylvia Day, Jodi Ellen Malpas and J. Kenner. Even as Jacob offers Harper a life of luxury and indulgence that thrills all her senses, she grows wary of this powerful man and his unquenchable desires. In their most intimate moments, Harper can't help but submit to his seductive demands. But the man outside the bedroom, whose early business dealings carry an air of questionable origins, who refuses to share even the smallest detail about his past, is an entirely different story...Jacob worries that, deep inside, Harper must recognize who he really is - the boy he was before he became a powerful, billionaire mogul. As much as he craves acknowledgment of their shared past, he dreads she might call him out as a fraud and leave his life forever...Don't miss the next instalment, *Make Me Desperate*...Includes a bonus excerpt of Beth Kery's *The Affair*. Discover the other captivating titles by Beth Kery: *The Affair*, the *One Night of Passion* series, and her bestselling erotically charged series which began with *Because You Are Mine*.
