

Making Waves (Signature Select)

Tessa Dalton used to be a celebrated author of erotic fairytales...until her ex-husband used them against her in a highly publicized divorce case. He said she had an insatiable appetite for men--any men. But in truth, Tessa's erotica was inspired by her personal fantasies, fantasies her ex-husband never came close to fulfilling...and fantasies that are suddenly fueled when she meets journalist Colt Granger....The attraction is instantaneous, the chemistry, smoldering. And before long, Tessa is ready to write again. Only this time, she's got company. She and Colt burn up the phone lines, collaborating on a sensual story all their own--a story that is recorded on paper...and reenacted in her bed. Tessa has never been so satisfied, so fulfilled. And she intends to enjoy it while it lasts. Because she's learned the hard way that there's no such thing as a fairytale ending....
