

The Man of Her Dreams

Excerpt: Libby smiled as she watched him drink from the mug of cocoa shed prepared for him. It was all so exciting the renovation, the hope of finding something hidden in the house that no one had ever found before, the fact that the handsome contractor would be in and out of her shop and her life for weeks to come. All of a sudden, Libby felt a surge of rejuvenation course through her limbs, for she loved when life brought unexpected pleasures. And seeing the likes of him every day certainly would be a pleasure.
