

## Management Cases, Revised Edition

The companion to Drucker's seminal work *Management*, completely revised and updated *Management Cases, Revised Edition* is a collection of thought-provoking case studies each a timeless representative of a challenge that all managers will face at some point in their careers. Longtime Drucker colleague, collaborator, and eminent management professor Joseph A. Maciariello has organized the material to be used in conjunction with *Management, Revised Edition*, making the book particularly useful in undergraduate, MBA, and executive education classrooms. It contains fifteen completely new cases written especially for this edition plus another thirty-five revised and updated cases, ensuring that the book provides comprehensive coverage of the most important management dilemmas and most timeless leadership wisdom. An essential resource for business students and working professionals alike, the book will help readers test and hone their management skills.
