

A Love Called Simon

From the New York Times, USA Today & Wall Street Journal Bestselling Author of the Forever Trilogy, Sandi Lynn No more men. No more rich men. That was what I vowed when I left New York and moved to Seattle. Then I met Simon Young, CEO of Young International, one of the largest luxury hotel chains in the world. He desired me and I let him. I was fully aware of his love for women and his hatred for relationships but I decided to play his game. I had a void that needed to be fulfilled and Simon Young was the man who could do it. Entering into a physical relationship only was the plan. No strings and no emotions allowed. But plans are made to be changed and rules are meant to be broken. We grew closer and I was falling in love, but Simon had a secret. A secret that would destroy everything. He was about to lose me and I was willing to walk away. Intended for readers 18+
