Her hex goes wrong and suddenly her neighbor Gage is in her dreams. Every spell she tries to create ends up targeting a growly shifter in the woods. Hes big, furry and so sexy shes half-losing her mind from thinking about him. Maybe if she gets a taste of the forbidden, shell be able to concentrate and stop her hex gone wild... Hex and Kisses Liani Azul went to a bar to test a perfect kiss spell and ended up in the arms of a growly shifter. He did things to her shed never even heard of before and ended up mated with the hot wolf. Will he be open to taking her back after she rejected their mating? Giving herself to the wolf in mind and body might be a good start.
