

Life in the Vrail Vol 1

Books One and Two in the Life in the Vrail series. Lurins Surrender For Captain Mara Seni, being a bounty hunter is what she does, not who she is. But her latest bounty makes her question her job. Hes tall, dark and handsome. But a rapist? A murderer? Why is the victim in question more intent on keeping him than putting him in jail? Theres something off about Lurin Vez, and its more than his good looks. Though she shouldnt care, Maras not going to stop until she finds out the truth. But when the truth turns into a love brighter than the sun, its all she can do to withstand the heat. The Thief of Mardu Professional thief Isa Araye has a bad feeling about her current job, and the dead body she trips over near the safe proves something is terribly wrong. Catam of Mardu, a successful bounty hunter, is bored with his life, restless for reasons he cannot explain. When his peacemaker brother needs his help, he readily agrees. How hard can it be to track down a murdering thief hiding on his own homeworld? But things are not as they seem, and Catams boredom turns into something else entirely as he and the sexy Isa set out to prove her innocence.
