

Chosen by Desire (The Guardians of Destiny)

Carrie Woods just cant resist temptation. To solve an ancient mystery, she borrows a precious, legend-cursed scroll from a Chinese monastery. But with the scroll comes danger: bizarre powers, life-threatening accidents, and, most frightening of all, one sexy Guardians icy-hot gaze. Maximillian Prescott is all too happy to strip this innocent-eyed thief of her secrets and the scroll, yet hes determined to fight the undeniable attraction pulling them together. But Max isnt Carries only pursuer, and theres just one way to keep the scroll safe. This adventurous blonde and brooding Guardian must dare to join forces and bare their souls to each other ... before their enemies take not only the scroll but Carries life.
