

Marriage by Design (Designing Love Book 2)

Family first. That motto has ruled Angie Corcarellis life since she took over her beloved late fathers construction business. When she discovers a new highway project will destroy the homes he once helped build, shell fight passionately to protect his legacy even if it means battling her best friends stuffy and infuriating ex. Stuart Perrault also knows a thing or two about family allegiance. For the past fifteen years, hes worked hard for his familys engineering firm, waiting for the day hed be named CEO. But a recent botched project has shaken his fathers faith in him. The last thing he needs now is a loose cannon like Angie interfering with the new highway plans. When Stuarts father insists he wine and dine Angie to change her mind, he reluctantly obliges, but soon wonders if hes bitten off more than he can chew. The fiery carpenter isnt as irrational as he expected, and she has a knack for making his strident self-control unravel. The more time Angie spends with Stuart, the harder it is to see him as the cold, calculating guy shed believed him to be. But falling for each other would mean disloyalty to their respective families. Are their feelings strong enough to warrant challenging their family ties? Sensuality Level: Sensual
