Tamara just got the opportunity of a lifetime. Work at the ranch of a wealthy cowboy as his head chef, and be able to completely run her own kitchen. This was the career opportunity she was waiting for, but when she meets the cowboy she falls head over heels for him. Kevin just lost his long time chef, and his girlfriend. Since he never went for the debutante types, he found it hard to find a down to earth girl who wasn't just after his money. When his lawyer mentions that his sister is a great cook, Kevin invites her out to the ranch as a test run. Her cooking is amazing, but when he sees her, he is floored. She's the mysterious beauty that has been visiting him during his dreams. He takes it as a sign and takes the next step with her. Their relationship develops into something much more, until a mysterious stranger from Tamara's past emerges... Will Tamara and Kevin overcome this new threat to their love? Will love triumph over everything? Read this complete standalone romance to the end by scrolling up and clicking Buy Now With 1 Click
